

# Younger to File For Second Term

District Attorney Evelle J. Younger, 50, has announced he will be a candidate for re-election in the June 4 primary.

Younger, a veteran of 28 years in law enforcement, was first elected to the office of district attorney in November, 1964. He previously was County Superior Court judge, Pasadena city prosecutor, Los Angeles deputy city attorney, and an FBI agent.

"There are several reasons for my seeking re-election," Younger said. "I want to continue serving the people of Los Angeles County in the enforcement of law and the administration of justice. I want to see that our county continues to lead the nation in developing new concepts and approaches for better law enforcement."

"OUR OFFICE has worked in effective cooperation with the legislature and helped secure the passage of new laws to aid law enforcement," Younger said. Some new laws he cited include the battered child bill, juvenile court bill, search and seizure bill, the bills making the possession of LSD a crime and Molotov cocktails a felony, and the implied consent bill.

"The district attorney said he believes he must lead in developing effective crime control and prevention measures as an essential part of the war on crime. To this end he has published information materials designed to educate individuals and groups in the community on how to protect themselves against various types of crimes."

Since taking office, Younger has sought advice and support for law and order from numerous community leaders, and this has led to the formation of the District Attorney's Advisory Council.

## Latin Dance Class Series To Be Taught

Rhumba, Samba, Cha Cha, and the latest Continental Bolero will be taught at the Lomita Recreation Center when Margaret and Frank Michael begin the Latin and disco-teque dancing class Tuesday, March 26. The ten-week series will be held each Tuesday from 8 to 10 p.m.

tion of the District Attorney's Advisory Council.

IN ORDER to involve youth in crime prevention, Younger, with the aid of Advisory Council members, formed the District Attorney's Young Citizens Council composed of students from 130 high schools in the county. The

juvenile narcotics prevention program is a present project of this Young Citizens Council.

"By getting people, adults and teenagers, involved in the prevention of crime, our community becomes much safer and a better place in which to live, work and raise our families," Younger said.

Heading the Committee to Re-Elect Younger are former Sheriff Eugene Biscailuz, honorary chairman; Leonard Firestone, Ernest Loebbecke, and Paul Ziffren, co-chairmen; Mark Boyar and J. R. Fluor, finance co-chairmen; and George M. Thompson, treasurer.

# Dills Won't Enter Race For 17th District Seat

State Senator Ralph C. Dills (D-Gardena) has announced he will not be a candidate for Congress in the 17th District.

Dills gave three overriding reasons for his decision not to seek the Congressional seat:

- It would throw control of the state senate to the Republicans, since membership in the 40-man body now stands at 20 Democrats and 20 Republicans.
- It would end a career in the state legislature which has built his seniority over a period of many years, two of

which have been in the senate.

- To run for Congress would be costly to the taxpayers because of two possible special elections in the district—one to replace him in the senate, another to elect an assemblyman from the district who would possibly run for his position.

Dills said he also weighed the economic factor of the two positions before making his decision. His salary as a Congressman would be almost double that of a state senator.

"I have done much soul-searching in making this decision," the senator said. "I

will be a candidate for re-election in the June 4 primary.
